Beginning with plates that expired in July 2000, Wisconsin is replacing existing automobile and light truck license plates with a newly designed plate. The issuance of the new plates is scheduled to take 7 years to complete.

You may obtain the new plate design earlier than scheduled by sending a \$10.00 fee and providing the following information:

| | | |
|----------------|-------------------------------|--------------|
| Name | Current License Plate Number | |
| Address | Vehicle Year | Vehicle Make |
| City, Zip Code | Vehicle Identification Number | |

Return this form with:

- Your \$10.00 early issuance fee, made payable to **Registration Fee Trust**.
- If applicable, your renewal fee, if your plate needs to be renewed within 2 months.

The option of applying for a new design plate early is not available through either the credit card phone system or over the Internet.

Release of Information - The Wisconsin Department of Transportation uses the information provided on this and other forms to title and register vehicles in Wisconsin, collect fees and enforce Wisconsin laws. Under Wisconsin's Open Records Law, the Department may share non-confidential motor vehicle information with companies and others that use the data for business purposes. If you want your name and address withheld from such companies/groups, forms are available from DMV Customer Service Centers.

ADA - The Wisconsin Department of Transportation complies with the Americans with Disabilities Act.
